

RECOVERY & FINAL SINKS FOR AN EFFECTIVE WASTE MANAGEMENT

Virtual Event
June 7th – 9th 2021

5° MATER MEETING
6° INTERNATIONAL CONFERENCE ON
FINAL SINKS

INFO & REGISTRATION:
www.mater.polimi.it

The event arises from the link between the fundamental goal of MatER and Final Sinks conferences. The first one aims at providing a thorough, objective representation of technologies and policies for material and energy recovery from waste, thereby contributing to move toward sustainable waste management. The second one addresses different topics regarding the handling of material flows and stocks from the resource and waste management perspective.
